

# Notice of Pricing and Policy Changes:

Effective October 1, 2011

Ocean Springs, MS

Effective October 1, 2011, Cheer Force One will be implementing new pricing on all Recreational Classes. This change will affect all NEW and CURRENT athletes. All Star tuition rates are not changing; however, additional classes on an All Star account may be affected. Any current school squad rate is separate from the below listed rates and is not eligible for the multiple class discount.

The new pricing is provided in the new Cheer Force One brochure available at the front desk. The brochure also outlines the available auto-draft option and discount provided. The auto-draft option is available to any account. This feature uses a credit card on file to pay off the account balance on the 3rd of each month. The auto-draft will charge the balance on the account in full creating a zero balance. This prevents late fees and insures accurate and timely payments. Families who choose to utilize this feature/discount can still make payments prior to the 3rd using check or cash to zero out their account to prevent the credit card charge.

**For additional information or if you need to make adjustments to your child's enrollment, please see the front desk. The front desk can also set you up with the Auto-Draft feature to lock-in the discounted rates.**
