

CHEER FORCE ONE

January 2012

CFO Athletes, Parents, Families, & Friends,

The past year has FLOWN by! It's hard to believe 2012 is here! Behind the scenes, we are constantly working to improve the CFO experience; and we hope you continue to feel at home in the Cheer Force One Family. We are setting our goals high for 2012 and hope to continue to meet and exceed your expectations! We look forward to continuing to grow our our community involvement, as well as working to find new ways to motivate, inspire, and challenge our athletes. We have a lot of great ideas to set in motion and can't wait to get started!

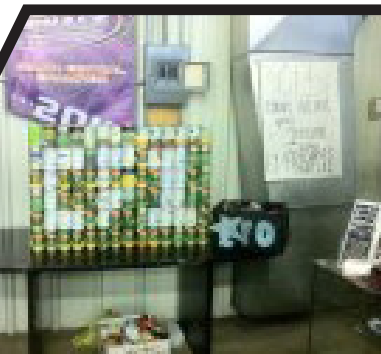

Thank you for your support of the Cheer Force One Program. Each family makes sacrifices - small and large, both time and financial - to provide extra curricular opportunities for their children. These sacrifices are not overlooked and do play a part in our commitment to you, your family, and the community. We will continue to keep the safety and well being of your child at the forefront of each and every decision we make to better our program. Thank you for a great 2011, and buckle up for 2012!
